The American Association for Thoracic Surgery

Resident Traveling Fellowship, 2005-2006

The American Association for Thoracic Surgery announces the **Resident Traveling Fellowship**, a new program established to broaden the educational experience of residents in their final year of an approved North American cardiothoracic surgical training program by providing an opportunity to spend one week at one or more institutions other than their home institution.

A grant of \$5000 will be provided to successful applicants to underwrite their travel and living expenses incurred during up to one week of training at one or more host institutions. The funds are also intended to provide for roundtrip travel and four nights' accommodations at the annual meeting of the Association scheduled for April 29–May 3, 2006, in Philadelphia, Pennsylvania. The fellowship must be completed prior to March 31, 2006.

Applicants must have the approval of their home and prospective host institutions. Candidates must complete an AATS application and include a one-page outline of what they hope to accomplish during their week of training. Additionally, award recipients must agree to submit a summary report to the Association within thirty days after the completion of their training.

The candidate must be a resident in his or her final year of an approved North American cardiothoracic surgical training program.

Applications are available online at www.aats.org and must be completed **no later than August 15, 2005**. The selected candidates will be notified by **September 30, 2005**.

Announcement of 2006 Annual Meeting

The Eighty-sixth Annual Meeting of The American Association for Thoracic Surgery will be held April 29–May 3, 2006, in Philadelphia, Pennsylvania, at the Pennsylvania Convention Center. The meeting of the Association is open to all physicians. House Officers and Fellows will be admitted without payment of a registration fee upon presentation of a letter from their Chief of Service either during preregistration or at the time of registration. Nonmember physicians are required to pay a \$250 preregistration fee up to March 24, 2006. After that date a registration fee of \$300 will be required. Members, nonmember phy-

sicians, and invited speakers will have the privilege of discussing papers.

Requests for Preregistration Forms and Hotel Reservations

Information on the 2006 Annual Meeting, including registration, hotel accommodations, and the social program, will be available in December 2005. Requests should be forwarded directly to:

American Association for Thoracic Surgery
900 Cummings Center
Suite 221-U
Beverly, MA 01915
978-927-8330; fax: 978-524-8890
e-mail: aats@prri.com

Registration and hotel information is available on our Web site at www.aats.org.

Call for Abstracts

Authors submitting abstracts for the 2006 Annual Meeting must use electronic submission. Abstracts submitted electronically for consideration for presentation at the 2006 meeting must have been received on or before **October 10, 2005**. Abstracts received after the deadline will not be considered by the Program Committee. The work must not have been presented or reported elsewhere.

Electronic Submission

Deadline for submission is **October 10, 2005**. Please submit your abstract via the World Wide Web. All abstract submissions must be in the structured format as required by *The Journal of Thoracic and Cardiovascular Surgery*. The structured abstract is to contain the following major headings: *Objective(s)*, *Methods*, *Results*, and *Conclusions*, and it should clearly reflect the content of the completed paper. No reference should be made on the abstract to the names or institutions of the authors.

Receipt of each abstract will be acknowledged by e-mail. Notification of the decision of the Program Committee will be distributed by the end of December 2005.

Essayists selected for the program are reminded that papers presented at the meeting are to be submitted for consideration for publication to *The Journal of Thoracic and Cardiovascular Surgery* and must be submitted to the JTCVS via the Internet prior to the Annual Meeting. Papers that are selected by the AATS Program Committee may not be presented or published elsewhere prior to the Annual Meeting in 2006.

C. Walton Lillehei Resident Forum

The C. Walton Lillehei Resident Forum will be held on Sunday, April 30, 2006. Made possible through an educational grant from St Jude Medical, the Forum will consist of the presentation of original work by residents in thoracic surgical training programs around the world. Abstracts submitted for the award should follow the guidelines of abstract submission for electronic submission noted above. The abstracts submitted for consideration for this Forum will be evaluated by the Program Committee and eight will be selected for presentation during the forum. Each of the selected authors will receive round-trip travel and accommodations for the duration of the AATS annual meeting. Additionally, one presentation will be selected by the Program Committee to receive the AATS C. Walton Lillehei Residents' Award, a \$5000 prize. Thoracic Surgery Program Directors are urged to have their residents participate in this Forum.

Abstract Deadline—Abstracts received after the deadline will not be considered

Electronic Submission Only: October 10, 2005

Applications for Membership

Applications for membership in the Association must have been received by the Membership Committee Chairman no later than November 2005. Applications received after that date will be deferred automatically for consideration until the 2007 meeting.

Applications for membership may be issued to sponsoring members of the Association and are also available to potential candidates who have identified member sponsors. Application forms are available from:

Chairman, Membership Committee
American Association for Thoracic Surgery
900 Cummings Center
Suite 221-U
Beverly, MA 01915
978-927-8330; fax: 978-524-8890
e-mail: aats@prri.com

Irving L. Kron, MD, Secretary

The Western Thoracic Surgical Association
900 Cummings Center
Suite 221-U
Beverly, MA 01915
978-927-8330; fax: 978-524-8890
wtsa@prri.com

Material for the Program

Scientific papers will be considered from members and nonmembers. Member sponsorship is not necessary.

For the 2006 Annual Meeting, abstract submission will open on November 14, 2005. All abstracts must be submitted electronically via the WTSA Web site. Information and a link to the submission site will be posted on the Web site on November 14. A Call for Abstracts will be mailed out around that time. Abstracts of proposed papers must be submitted on or before January 10, 2006.

Successful essayists must send the complete manuscript directly to *The Journal of Thoracic and Cardiovascular Surgery* and must not exceed 3000 words without illustrations. Electronic submissions are to be sent to: <http://jtcvs.editorialmanager.com> where complete instructions are also available. The essay length must be reduced appropriately when figures or tables are included.

Samson Resident Prize Essay

The Association offers a prize for the best manuscript on a topic of interest to thoracic surgeons in honor of Paul C. Samson, MD. Candidates for the prize must be in a training program in the United States or Canada. The one essayist whose abstract, manuscript, and presentation are judged most outstanding will receive a \$2000 cash award following the presentation of all papers in Sun Valley. The conditions for abstract submission, presentation, and publication as described above will apply. The authors of the abstracts chosen for the program will make up the finalists and will be notified by mid-February 2006 that they must submit *six completed manuscripts for review by the Prize Essay Committee*. The Prize Essay committee will make its selection following the presentation of all papers.

The Western Thoracic Surgical Association

Announcement of 2006 Annual Meeting

The Thirty-second Annual Meeting of The Western Thoracic Surgical Association will be held June 21-24, 2006, at the Sun Valley Resort in Sun Valley, Idaho. The scientific sessions are open to all duly qualified physicians. Participation in other Association activities for members, invited guests, and program participants will require payment of a social registration fee.

Requests for Meeting Information

Meeting preregistration and hotel registration forms will be available after January 2006 from:

Application for Membership

Applications for membership in the Association must be received by the Membership Committee Chairman no later than March 1, 2006, to be considered at the following annual meeting. Applicants must be sponsored by three members of the Association who are not members of the Membership Committee. Application forms will be issued only to sponsoring members.

The American Board of Thoracic Surgery

Notices

The part I (written) examination will be held on December 5, 2005. It is planned that this examination will be given at multiple sites throughout the United States using an electronic format. The closing date for registration is August 1 each year. Those wishing to be considered for examination must apply online at www.abts.org.

To be admissible for the Part II (oral) examination, a candidate must have successfully completed the Part I (written) examination.

A candidate applying for admission to the certifying examination must fulfill all the requirements of the Board in force at the time the application is received. Please address all communications to the American Board of Thoracic Surgery, 633 North St Clair Street, Suite 2320, Chicago, IL 60611 (telephone: 312-202-5900).

Requirements for Recertification/Maintenance of Certification

Diplomates of the American Board of Thoracic Surgery who plan to participate in the Recertification/Maintenance of Certification process must hold an active medical license and must hold clinical privileges in thoracic surgery. In addition, a valid certificate is an absolute requirement for entrance into the recertification/maintenance of certification process. If your certificate has expired, the only pathway for renewal of a certificate is to take and pass the Part I (written) and the Part II (oral) certifying examinations.

The American Board of Thoracic Surgery will no longer publish the names of individuals who have not recertified in the

American Board of Medical Specialties directories. The Diplomate's name will be published upon successful completion of the recertification/maintenance of certification process.

The CME requirements include 70 Category I credits in either cardiothoracic surgery or general surgery earned during the 2 years prior to application. SESATS and SESAPS are the only self-instructional materials allowed for credit. Category II credits are not allowed. The Physicians Recognition Award for recertifying in general surgery is not allowed in fulfillment of the CME requirements. Interested individuals should refer to the *Booklet of Information* for a complete description of acceptable CME credits.

Diplomates should maintain a documented list of their major cases performed during the year prior to application for recertification. This practice review should consist of 1 year's consecutive major operative experiences. If more than 100 cases occur in 1 year, only 100 should be listed.

Candidates for recertification/maintenance of certification will be required to complete all sections of the SESATS self-assessment examination. It is not necessary for candidates to purchase SESATS individually because it will be sent to candidates after their application has been approved.

Diplomates may recertify the year their certificate expires, or if they wish to do so, they may recertify up to 2 years before it expires. However, the new certificate will be dated 10 years from the date of expiration of their original certificate or most recent recertification certificate. In other words, recertifying early does not alter the 10-year validation.

Recertification/maintenance of certification is also open to Diplomates with an unlimited certificate and will in no way affect the validity of their original certificate.

The deadline for submission of applications for the recertification/maintenance of certification process is May 10 each year. A brochure outlining the rules and requirements for recertification/maintenance of certification in thoracic surgery is available upon request from the American Board of Thoracic Surgery, 633 North St Clair Street, Suite 2320, Chicago, IL 60611; telephone: 312-202-5900; fax: 312-202-5960; E-mail: info@abts.org. The booklet is also published on the Web site: www.abts.org.

Targeted

The Journal of Thoracic and Cardiovascular Surgery gives you two tables of contents.

The condensed table of contents tells you at a glance what topics and authors are presented each month. The expanded table of contents gives you a brief abstract of each article. You select only those articles of most interest to you for further reading.
